

Alternate Car Drop-Off & Pick-Up for K-8

Traveling NORTH on 11th Ave, turn **right** into the driveway at the front of the church. In the morning students are dropped off in front of Door 4 at the church (labeled below). In the afternoon students will be waiting by the church to enter cars on the left side. Please remember to pull all the way up to the car in front of you. After dropping-off or picking up your student pull forward and turn **right** onto 55th St.. Thank you for your patience!

Please **do not** drop students off from your car in front of the school building. We are asking all K-8 families to use the Alternate Car Drop-off & Pick-up diagram to ensure students are safe as they enter the building. Dropping students off on the west side of 11th St has caused dangerous situations in the past. Help us keep everyone safe, and thank you for your patience and understanding!
