

Kindergarten Enrollment Requirements

At Our Lady of Peace School, we follow Minnesota State Law, which requires children to be **five years old by September 1** to enroll in kindergarten.

To complete your child's enrollment, please provide the following:

- **Birth Certificate**
- **Baptismal Certificate** (if applicable)

In addition, all first-time kindergarten students must complete **Early Childhood Screening** before attending school.

Early Childhood Screening Details

Minnesota law mandates Early Childhood Screening, which includes:

- Immunization review
- Developmental screening
- Vision and hearing screening
- Health history review

Local school districts provide Early Childhood Screening throughout the year. When your child turns three, you may contact your school district for more information and to schedule a screening for your child.

Immunization Requirements

Minnesota law also requires schools to enforce immunization regulations. **Immunization records** and **health records** must be submitted before your child's first day of school.

We're here to help! If you have questions about the enrollment process, don't hesitate to contact our office manager, Cathy Bergen, at cbergen@olpmn.org or 612-823-8253.
