

**Attention New Families:**

To ensure your child can attend school, **immunization and health records** are required before their first day. Minnesota law mandates that all schools enforce immunization regulations. We also need a **birth certificate** for all new students before starting school.

For students transferring into grades 1-8, a **record request form** must also be completed for us to obtain records from their previous school.

Thank you for helping us keep our school community healthy and organized!! If you have questions about the enrollment process, don't hesitate to contact our office manager, Cathy Bergen, at [cbergen@olpmn.org](mailto:cbergen@olpmn.org) or 612-823-8253.
