

Parents

Our Lady of Peace School has implemented a NEW process for parents to register and pay for all of their child's activities and fees. (Tuition, extended day and aftercare fees will still be handled by TADS.) This new process was activated for a number of reasons:

- increased accuracy of registrations and payment all of events
- increased security for staff (less cash and checks in the school office)
- decreased staff time for handling registrations, cash and checks
- use of account for both school and church fees and donations

This new process, ConnectNow Giving, will handle payments for:

- Hot Lunch, Drama Club, Athletics, Extended Day Drop-In Fees and Release Days, Field Trips, Lost Book Fees, and more

In order for a student to participate in any of the above, parents will be notified to register and pay prior to the event. Payment will be due at time of the registration.

The process is easy. Parents register in ConnectNow Giving with a stored credit card or checking account information. Each time parents register their child for a school event, payment will be submitted at the end of the registration. Parents will simply log into their account with ConnectNow Giving to finalize the transaction.
