### **November minutes review and approve**

#### **Agenda Items:**

**Christmas Concert:** It was distracting to have ELP leave mid-show. Keep them on stage or with teachers for the full hour. Possibly starting at 5:30 PM. Combine more classes together for songs.

**Volunteer status and coordination – role needed again or Eagles Nest** Do we need a coordinator or a mandated financial commitment for people who don't give 10 hours to the school through volunteering. Sports teams require a deposit that you get back after you complete your hours.

**Drop off procedures:** People are not following procedure. We think we need multiple people out directing traffic. Seems to be a problem that has been ongoing for years.

**Enrollment:** See Principals report

**Catholic Schools Week:** See Principals report

**Catholic Financial Raffle:** See Principals report

**OLP Gym: Friends of OLP (Booster Club):** Dan, Paul, and Michael Manahan working on creating a booster club on figuring out ways to make better use of our gym.

**Release Days:** Paul asking for feedback. We are trying to mainstream the program with fees that are more standardized. They are not filling we had to cancel over Christmas. Any thoughts?

**Gala:** See Principals report

### **Principal Report**

**New Items:** Preschool Uniforms were brought up there is interest in this by our parents.
